

Upslope Code Key (CU, RU, CD, RD, US)

CDFG - CRMEP Qualitative Implementation Monitoring

ALN	Alignment problem	OUT	Outsloped	SEE	Seeding
APP	Approach problem	OVT	Overtopped	SLF	Silt fence
ARM	Armoring	PAR	Partial recontour	STM	Straw mulch
BFC	Bankfull channel	PAV	Paved	TCU	Through cut
BNC	Benching	PIP	Piping	UCR	Under crossing
CDP	Critical dip	PLA	Plastic	UNS	Undersized
COM	Compacting	PLG	Plugged	UPL	Upslope/upland
CON	Concrete	PLN	Planting	UPS	Upstream
COR	Corroded	Poor	Poor	VEG	Vegetation
CRD	Cross road drain	RBK	Right bank	WGW	Wingwalls
CRN	Crown	RLD	Rolling dip	WOO	Wood
CRS	Crushed	ROC	Rock	WSH	Washed out
DBB	Debris barrier	RTM	Rootwad	WTB	Water bar
DIT	Ditch				
DNS	Downstream				
DRC	Ditch relief culvert				
DRT	Dirt (unimproved)				
DSP	Downspout				
EOC	Emergency overflow pipe				
Excl	Excellent				
FAB	Fabric				
Fail	Failed				
Fair	Fair				
FLA	Flared inlet				
FLD	Floodplain				
FLT	Flat				
FUL	Full recontour				
Good	Good				
GRC	Grade control structure				
INL	Inlet problem				
INS	Insloped				
LBK	Left bank				
LNG	Length problem				
LWD	Large woody debris				
MIT	Mitered inlet				
MTL	Metal				
NON	None				
NTG	Not to grade				
NTM	Native mulch/slash				
NTR	Native rock				
OFR	Offsite rock				
OTH	Other				
OTL	Outlet problem				

HU	Watershed Restoration (Upslope)
<u>410</u>	<u>Upslope sediment delivery prevention (other)</u>
411	Slope stabilization (other)
412	Dewater slide or gully
413	Slide toe stabilization
414	Sediment catchment basin
415	Upslope revegetation
416	Road fillslope/landing excavation
417	Landslide excavation
<u>250</u>	<u>Checkdams (other)</u>
251	Redwood board checkdams
252	Brush and rock checkdams
253	Post brush checkdams
254	Tree checkdams
255	Brush and rock mattress headcut repair
<u>420</u>	<u>Road segment decommissioning</u>
421	Road to trail conversion (decommissioning)
<u>430</u>	<u>Stream crossing decommissioning</u>
431	Road to trail stream crossing conversion (decommissioning)
<u>440</u>	<u>Road segment upgrading</u>
<u>450</u>	<u>Stream crossing upgrading (other)</u>
451	Upgrade to a bridge
452	Upgrade to a bottomless arch
453	Upgrade culvert pipe to pass Q100
454	Upgrade to dry armored crossing
455	Upgrade to wet armored crossing
456	Unarmored fill crossing or ford
457	Reposition culvert slope
458	Reposition culvert alignment
