Please contact:
Kathy Clark, Principal Zoologist
Department of Fish, Game and Wildlife
Endangered and Nongame Species Program
2201 Route 631, Woodbine, NJ 08270
609-628-2103

Let the program know where you place osprey nest platforms and when they are used by a pair of ospreys. They will include the site in biennial surveys. Thank you for helping osprey in New Jersey.

** prices based on 2007 costs*
