League Boundaries

Our league covers the neighborhoods of Marina del Rey, Mar Vista, Playa Vista, Del Rey and sections of LA/Culver City. Your child should go to a school OR have a residence within these boundaries in order to qualify for All-Stars and post-season play. So if you do not live within our boundaries, but your child attends a school within our boundaries, you are cleared to play at Culver Marina Little League. This includes schools such as Short Avenue, WNS, Playa del Rey Elementary, Playa Vista Elementary, Ocean Charter, Goethe, Braddock Avenue, Stoner Elementary and Citizens of the World Mar Vista. Please email us if you have boundary questions. We know boundaries can be confusing and we are here to help.
