	Chilly with dense fog in the morning, clearing up around 2 pm. Tide high in the morning. Going out in the afternoon. Most people were targeting rockfish, although I did have one salmon boat. There were no salmon brought in and I didn't take any heads. Most of the rockfish were blackes and Sopsies. I had one minor issue with a man who took a picture of my car and license plate.		0.1hr = 4-9 mins		60	MILEAGE
