

Intune Migration

Welcome,

You are following this guide, because you have a department issued mobile device (most likely an Apple iPhone) You have also been invited to migrate your device, and have a scheduled time on your calendar.

We will "push" a two new icons to your device "Migration Help" and "Comp Portal".

Please be patient...the icons will show up.

PREPARE	 On your iPhone, select the "Migration Help" icon. Then select Open in iBooks. This insures you have these instructions when your iPhone is un-enrolled from AirWatch. 			
	2. On your iPhone, you will notice another new icon.			
	3. At your scheduled time, you will notice that all your email, contacts and calendar items are gone. You can verify this by going to Settings→General and scrolling to the bottom. There should not be a "Device Management" setting. This is referred to as "Unenrolled" if you have issues at this stage
